BUSINESS IS BASED ON CONFIDENCE

A Theory Put Into Practice by Well Known Business Man

J. C. BRADY

"A druggist has many opportunities to make lasting friends of his customers," said Mr. J. C. Brady, popular Rexall Pharmacist of Fall River, Mass. "The very nature of his business draws their confidence for little helpful suggestions on the matter of health. Many people have thanked me for recommending Rexall Orderlies as the best relief for constipation and its resultant ills. Put up in dainty candy tablet form, they are pleasant to the taste and make an ideal laxative for the home—for men, women and children alike."

We have the exclusive selling rights for this great laxative. Trial size, 10 cents.

The Minister who Feels Well on Monday

With many ministers, Monday is an "off day." Not in the way of doing nothing, but in the sense of not feeling well. After the hard work of Saturday and Sunday, comes the nervous and physical reaction of Monday, with that "all-in" feeling. This is a condition many ministers would be glad to be freed from. They can avoid it by giving proper attention to diet, and taking "L. F. Atwood's Medicine" to keep the bowels in order, the stomach toned, the liver regulated, and the head clear. This old home remedy is so good that many ministers are glad to recommend it, feeling that they are passing along a kindness in so doing. We will send a free sample to any minister, upon request.

Buy a 35c bottle at your nearest store, or write to-day for free sample.

PRINCE ALBERT
the national joy smoke

Listen:

It's easy to change the shape and color of unsalable brands to imitate the Prince Albert tin, but it is impossible to imitate the flavor of Prince Albert tobacco! The patented process protects that!

Men who have stowed away gentle old jimmy pipes for years, have brought them back to the tune of Prince Albert! Get yours out, for your confidence never will be abused! We tell you Prince Albert will set pipe free the tenderest tongue!

And smoked in a makin's cigarette, Prince Albert is so refreshing and delightful that it gives you a new idea of cigarette happiness. Any way you fire-up Prince Albert, it will win you quick as a flash—it's so good and so friendly!

Kidney Trouble Leads To Terrible Tortures

Hundreds of sufferers from pains in the back and sides, bladder and urinary disorders, lumbago, rheumatism, dizziness, puffiness under the eyes or in the feet and ankles, nervousness, tired or worn-out or headache feeling, don't seem to realize that the greater part of all sickness today can be avoided by keeping the kidneys working properly. If you suffer from any of the many agonies that accompany weak, clogged-up or diseased kidneys you should not neglect yourself another day and run the risk of serious complications. Secure a package of Solvax, the wonderful new kidney remedy which is very inexpensive yet acts quickly and surely on the seat of the trouble. You'll be surprised how entirely different you'll feel in a very short time.

It doesn't matter how long you have suffered, how old you are, or what you have used. The very principal of Solvax is such that it is practically impossible to take it into the human system without beneficial results.

Solvax has been so uniformly successful that Frank Kibben will in future sell it under a positive guarantee of relief or refund the money.

OTISFIELD.

Held in Arson Case.

Through the evidence of Leroy A. Knight, a former inmate of the State hospital for the insane in Augusta for a period of four years and also, by his own admissions, Will has trouble with his head at times, particularly when anyone "keeps after him," Wilfred L. Jilson, a wealthy and prominent farmer of Otisfield, was bound over to the May term of the grand jury, Monday, probable cause having been found against him on the charge of being an accessory before the fact to arson.

Knight himself, pleaded guilty to the charge of arson, admitting that he set fire to the farm buildings of Elmer W. Poland of Otisfield, on the night of Jan. 28. This fire consumed the buildings, which were valued at \$1,500 and were without insurance.

Knight maintained that Jilson urged him to set fire to the buildings because he was anxious "to square accounts" with Poland, with whom he had some trouble while he resided last summer when a mule belonging to Jilson broke in upon Poland's property and did considerable damage to his garden.

Poland was a witness for the State and he told of the trouble he had had with Jilson and testified that Jilson had threatened to shoot him and his horses and to burn his buildings.

On cross-examination by Wilmer C. Whelden, attorney for Jilson, Poland admitted that Jilson held a mortgage of \$183 against his place, a mortgage that has stood for two years and upon which nothing had been paid.

Knight told with considerable detail the alleged events of the night of the fire, about his visit to Jilson's home, of Jilson's urging that he set fire to the buildings, of his visit to the Poland barn, where he set the fire by throwing a lighted match into the hay-stack. After telling this story he denied in cross-examination that he had ever set fire to other buildings, but admitted that he might have been concerned in the fire which his brother set at Saratoga Hill. He was positive that he assisted his brother, but said that it was possible that he did. He also admitted that he might have tried to set other fires but was positive that he had not succeeded.

Jilson finished bail in the sum of \$2,000 for his appearance at the May term of the grand jury. The same amount of bail was fixed for Knight, but he was unable to secure bondsmen and was committed to the county jail.

EAST OXFORD.
Mr. Charles Plummer Noble.

Mr. Noble was born at Baldwin, March 1, 1837, and died at his home in Paris, February 5th, 1916. He was the son of James and Jane (Crane) Noble and one of a family of twelve children, of whom four brothers survive him, Rev. Frederick A. Noble, D. D., of Evanston, Ill., Daniel I. Noble of Pittsburg, Pa., James B. Noble of Monrovia, Cal., and Newell P. Noble of Phillips. At the age of about twenty years his parents moved to Oxford.

He enlisted in the 2nd Maine Cavalry from the town of Wilton, in the year 1863. He served about two years in the department of the Gulf. After the close of the war, he remained in Florida about four or five years in business.

Shortly after his return to Oxford he married Columbia Perkins, six children were born to them of whom two survive, Jennie Noble of Exeter, N. H., and Grace Noble Knight of West Somerville, Mass.

After his marriage he lived in Oxford. For a few years in Boston, and for several years in Minot. In 1881 he purchased a farm in the town of Paris and has resided thereon until the time of his death. His wife died in 1894. He married his second wife, Carrie E. Andrews of Boston, Mass., and one child was born of this marriage, Clara Mae Noble, now seventeen years of age and a pupil in the South Paris high school.

In the death of Mr. Noble the community loses a very kind, loving and cheerful neighbor. One who always had a pleasant nod and cordial welcome to the many friends and relatives who so frequently gathered in his comfortable home.

The Rev. Chester G. Miller of the South Paris Universalist church conducted the funeral services, assisted by Wm. K. Kimball Post, No. 148 of South Paris.

I OWE MY HEALTH

To Lydia E. Pinkham's Vegetable Compound.

Washington Park, Ill.—"I am the mother of four children and have suffered with female trouble, backache, nervous spells and the blues. My children's loud talking and romping would make me so nervous I could just tear everything to pieces and I would ache all over and feel so sick that I would not want anyone to talk to me at times. Lydia E. Pinkham's 'Vegetable' Compound and Liver Pills restored me to health and I want to thank you for the good they have done me. I have had quite a bit of trouble and worry but it does not affect my youthful looks. My friends say 'Why do you look so young and well?' I owe it all to the Lydia E. Pinkham remedies."

Mrs. ROBT. STORIE, Moore Avenue, Washington Park, Illinois.

We wish every woman who suffers from female troubles, nervousness, backache or the blues could see the letters written by women made well by Lydia E. Pinkham's Vegetable Compound.

Never in the history of Bowdoin track athletics has there ever been a school-boy meet so full of thrills and keen competition as was the fourth annual Bowdoin Interscholastic Indoor meet which was won Saturday afternoon by Hebron Academy, after a pitched battle with Huntington school of Boston, in which the result of the meet was in doubt up to the last event, and was only won for the Maine preparatory school by the work of Chase of Hebron, who took second in the mile race. Jordan of Hebron, the best track athlete in the institution, was barred from participation in the meet because of the four-year rule.

The final score stood: Hebron, 23; Huntington, 22, with Maine Central Institute taking third position with 12 points. The other four schools to place were: St. John's Prep, of Danvers, Mass., 10; Moses Brown school of Providence, R. I., 5; Portland High, 4; Lewiston High, 4; and Coburn Classical Institute, 1.

SOUTH ALBANY.

Mrs. Calista Sweet and Mrs. Alfretha Abbott of Waterford visited their brother George Abbott recently.

Mrs. C. W. York has been ill and confined to her bed for some time with rheumatic troubles.

Mr. and Mrs. John Grover and daughter Annie Grover recently visited his mother, Mrs. George Abbott, who has been ill with some form of erysipilas in her nose. Mrs. Abbott has recovered her usual health at present. Ernest Grover who is at work for Charles Saunders at North Waterford was also at the same place the same day. He also visited at Merritt Sawin's the same day.

Herman Holt has been hauling wood for himself and Bert Patterson from Walter Canwell's lot. Merritt Sawin has been at work with the saw.

Will and David McAllister are hauling bolts for Harry Browne from his lot beyond Lynchville to his mill at North Waterford.

David and Fred McAllister the two little boys who enjoyed so many rides with their little black steer last winter have a little jersey heifer which they are giving this winter. She seems to be well broken to harness and takes her little masters, or even a small load of wood or sawdust or any other thing which they choose to carry, as though she liked the fun as well as they do.

Lillian and Rose McAllister visited their sister, Mrs. Ethel Lovejoy at North Waterford, Saturday.

Mr. and Mrs. Merton Kimball and daughter, Edna, visited her father, Merritt Sawin, Saturday and Sunday.

We recently spent a very pleasant evening at Herman Holt's. Mrs. H. B. Holt, Mrs. Holt's mother related some interesting accounts of her father the late Solomon Heald, who was a land surveyor.

Mr. Heald surveyed the large tract of land which was purchased by Thomas Lynch of Portland a good many years ago. This was a lot of some 2800 acres that lay around and near what is called Lynchville in Albany.

Mrs. Holt also told of a map which he made of Keazer lake in Lovell and how he took the measurements around the lake by means of a wheel which he made with a circumference of just a rod, going around the lake on the ice with the wheel. He used to make his maps in the evening and to illustrate the delicacy of his work she told us that he used to draw his lines with the point of a cambric needle. This was of course very trying to the eyes and in later years his eyesight failed him and he was nearly blind. In later years he went West and surveyed large tracts of land there and laid out many city streets but came back to his native hills to spend his declining years.

Ernest Browne is hauling bolts to N. Waterford from his lot near Chalk pond.

Isaac Wardwell's family, who have all been ill with the grippe, are so they are able to be about.

HANOVER

A very pleasant evening was spent by the Whist Club at the home of Mr. and Mrs. M. A. Holt, Saturday evening. Five tables enjoyed the game. Refreshments of cornballs, cake, doughnuts and cocoa were served. First prizes were won by Mrs. Leon Roberts and Louis Powers; consolation prizes, Lillian Holt and Leon Roberts.

Mr. and Mrs. Leon Holt of Andover visited relatives in town, Saturday.

C. P. Saunders loaded a car of ash, Friday.

Gladys Davis has been ill with the grippe.

Dan McPherson is cutting wood for C. F. Saunders. Everett Billings is helping him.

Sam McPherson recently purchased a fine colt of Harry King at Bethel.

Newell Godwin was in town one day last week.

Mr. and Mrs. C. F. Saunders and children visited at N. W. Barker's, Bethel, Sunday.

WEST LOVELL

Mr. and Mrs. Charles Merrill have both been sick with lagrippe. Mrs. Will Merrill and Leon Harmon have been assisting with the work.

Mrs. D. W. Nichols has had an attack of lumbago.

WORMS SAP CHILDREN'S HEALTH.

Mothers often wonder why their children are not rugged and hardy. In a vast number of cases the trouble is—Worms.

Signs of worms are: De-ranged stomach, swollen upper lip, sour stomach, offensive breath, hard and full belly with occasional gripings and pains about the navel, pale face of leaden tint, eyes heavy and dull, twitching eyelids, itching of the nose, grinding of the teeth, little red points sticking out on tongue, starting during sleep, slow fever.

Dr. Tru's Elixir, the 60 years time-tried Family Laxative and Worm Expeller, will expel the worms and restore the vim and vigor to your child. Good for adults also. Mr. Horace Chenevix, of Belmont, Maine, reports that he buys 12 large bottles at a time. 35c, 50c and \$1.00 at all dealers. Advice free. Special treatment for tapeworms. Send for book.

"Why Swear, Dear? Use 'Gets-It' for Corns!"

It's the New Plan. Simple. Sure as Fate. Applied in a Few Seconds.

"Why, John, I never knew you to use such language! I've told you several times it's no use to try those bandages, salves, tapes, plasters, and

"You Wouldn't Lose Your Temper, John, If You Used 'Gets-It' for Those Corns!" contraptions for corns. Here's some 'Gets-It', it's just wonderful how easy, 'clear and clean' it makes any corn come right off. Takes but a few seconds to apply. It dries at once. Put your sock on right over it—there's nothing to stick or roll up, no corn. It's painless, simple as rolling off a log. Now put away those knives, razors and scissors, use 'Gets-It' and you'll have a sweeter disposition and no more corns and calluses. 'Gets-It' is sold by druggists everywhere, 25c, a bottle, or sent direct by E. Lawrence & Co., Chicago, Ill.

J. P. ROBERTS.

Rev. J. P. Roberts of West Bowdin will conduct some special meetings at the Free Baptist Church beginning Sunday

WEST PARIS.

The sixth anniversary of Scouting in America was celebrated by the local Boy Scouts. They attended in a body a special service which was given to them at the Universalist Church Sunday, Feb. 6, when their Scout Master Rev. D. A. Ball preached a helpful sermon to them. On Wednesday evening following the entire troop with guests numbering over fifty had a supper in Good Will Hall. Three tables were set and occupied, respectively by the three patrols with their standard bearing the insignia of each patrol at the head of the table. The troops United States flag decorated the rear of the hall. Among the good things on the tables was a cake presented by Mrs. Frank Davis bearing the dates 1910-1916 which marks the time of the organization of the Boy Scouts of America. At exactly 8.15 the entire troop stood at salute and repeated the Scout oath which is in accordance with the annual custom for all of the 147,000 Scouts who are enrolled at National headquarters to do at this specified time. After supper eleven merit badges were conferred on Assistant Master Rupert T. Berry and eight on Assistant Patrol Leader Harold C. Perham. Each candidate had previously received several of these merit badges which represent definite studies completed since they became Scouts of the first class. The badges were conferred by W. H. Emery, E. D. Stilwell and E. J. Mann, representatives of the permanent examining board having special charge of this branch of scout activity. Senior Patrol Leader Earl Bacon and Assistant Leader Harold C. Perham assisted the committee in the ceremony. Alice Barden sang several songs selected from the official song book and Mildred L'Arrand played two piano solos and gave a reading part accompanied by a Scout March played by Miss Barden. The formal programme closed with a vocal number "I am so Sleepy" by Miss Barden. The scouts cleared the supper tables and put the hall and kitchen in perfect order and then entered enthusiastically into a series of Scout games. All voted the affair very successful and enjoyable. On Friday evening, the 11th, Guy L. Shorey, an experienced guide, showed a fine collection of lantern slides to the Scouts and their invited friends, taking them on a picture journey among the White Mountains.

A good time was enjoyed at the all day meeting of the Grange Saturday. A good company of the South Paris invited guests were present. The lecturer, Mrs. A. R. Tuell, prepared an excellent programme on the life and work of Abraham Lincoln which was carried out as follows:

Singing, "America," or Quotations from the Roll-call, "Incidents" or Quotations from the "Boyhood of Lincoln," Laura Barden "Lincoln As a Son," F. L. Cummings "Lincoln As a Lawyer," F. L. Wyman "The Assassination," Davis Field.

The above programme was given in the forenoon and the close of the march was played by Mrs. D. A. Grover and all marched down to the dining room. The afternoon programme was given over to a speaker, E. A. Rogers, who spoke effectively on the different grades of fertilizer and the composition of them also upon the high cost of transportation in a way to awaken the Grange as to their betterment of the life and rights of the farmer. A chorus of 15 or more including the Woodstock Quartette who were especially invited sang "Tramp, Tramp, Tramp" with Dan A. Grover on the solo part, "Star Spangled Banner" and a "Patriotic Chorus." The whole day was a very enjoyable and entertaining. Of the forenoon the papers and speakers on Lincoln were all very good but special mention is due to F. L. Wyman who was a soldier in the Civil War and his word picture was very vivid given because he was connected with it and saw Mr. Lincoln. West Paris Grange accepted an invitation to visit Franklin Grange at Bryant's Pond March 18th.

The little baby boy Roy Elmer Spiller who was taken to care for by his aunt Mrs. Elroy Davis died Saturday of bronchitis. The little one was born Sept. 20, 1914 and was very frail in nature. Mr. and Mrs. Davis were taken the tenderest care of him but the baby illnesses of which he seemed to have a large share he could not withstand. The mother died when he was born and his father, Mrs. Davis' brother got her to care for it and they learned to love it as their own. Mr. Spiller, his sister and his former nurse Miss Thompson came Saturday from Lewiston. Prayer was offered at the house Sunday afternoon by Rev. D. A. Ball and the remains were taken to Portland Monday where the funeral service was held. The interment was with the mother at Dearing. The baby was enrolled on the Universalist Sunday School grade roll.

Mrs. D. A. Ball was in Lewiston Thursday evening for a conference with the Universalist Sunday School Workers in the two cities.

Mrs. Bert Day was at Sumner several days last week called there by the illness and death of her mother, Mrs. Frances Dunham.

Samuel K. Estes, who was taken quite sick while visiting at South Paris, was brought home in an auto Monday. He is still very feeble.

The state committee on evangelism representing the Universalist Church are entering upon an active campaign. Leaflets setting forth some plans and aims are soon to be distributed throughout the state. Special meetings are being planned for this church in accord with this purpose.

Evening Grosbeaks have been seen by several of the local bird students. These birds are among the most beautiful of our American songsters and it is thought have never been seen here until this season.
